

Fleet Manager

PNO Germany

PNO is the Nordic's largest trailer rental company. We are a family-owned company established in 1975 with our head office in Copenhagen, and with branches in Helsinki, Oslo, Helsingborg in Sweden, Horsens in Denmark and Venlo in Holland.

Our purpose is to lead the transition to sustainable freight, and we strongly believe that PNO can be a key driver of change in the logistics industry. To best serve our customers in the German market, we are expanding our scope and looking for candidates based in Germany.

About the job

You will work from the new established PNO Germany office and work closely with the teams in the other PNO territories. Your primary focus centers around "operational excellence" in managing the fleet ensuring the fleet is kept compliant. You will identify the needs and requirements to balance supply and demand in terms of workshop services and be on top of operational costs. The goal is to contribute to establishing and growing our business to achieve long-term success for PNO in Germany.

At PNO we are looking for smart people, who are curious at heart and always looking for new ways of doing things. In a nutshell, we are a human-centered organization looking for team players who bring their honest selves to work every day.

Qualifications

- You have experience from a similar role in which you have demonstrated the ability to create productivity through the management of supply and demand of (trailer) assets, maintenance/repair costs and optimization of a workshop network
- Product knowledge of trailers to a certain degree is necessary to become successful in this role. However, you will have internal and external support to develop the necessary expertise
- You have experience with problem-solving in relation to customer and/or supplier issues, and you are a strong but fair negotiator with a high level of commercial understanding
- You thrive when finding ways to maximize profits and cutting costs in a responsible manner

- Experience in preparing forecasts to internal and external stakeholders

Skills

- Analytical mindset and great problem-solving skills
- Outstanding organizational skills
- Attention to details
- Excellent communicative and interpersonal skills with aptitude in building relationships with professionals of all organizational levels
- Independent, but a team player
- Responsible and dedicated to your work and your team

Benefits

- Competitive salary and meaningful work
- Flat organization and strong leadership
- Central office location
- Company healthcare insurance and pension plan
- Your choice in hardware, whatever equipment helps you get the job done
