

SENIOR BUSINESS CONTROLLER

PNO

PNO is the Nordic's largest trailer rental company. We are a family-owned company established in 1975 with our head office in Copenhagen, and with branches in Helsingborg, Helsinki, Oslo, Horsens in Denmark, and Venlo in Holland.

Our purpose is to lead the transition to sustainable freight, and we strongly believe that PNO can be a key driver of change in the logistics industry. To best serve our customers in our markets, we are looking for a Senior Business Controller based in Copenhagen.

About the job

You will work from our head office and work closely with the Head of Finance, CFO, CCO, and Country Directors. You will work together with the finance team ensuring value-added financial management for all value verticals of PNO (5 markets - Q1 2021 entry to Germany). In your role, you will support and drive the tasks related to the optimization of the purchase process, financing, rental, divestment, and on-going analysis for various internal stakeholders. Your work is both tactical and operational and will strengthen the financial infrastructure of PNO delivering best practices, and thereby maximizing value & growth, profitability, and effectiveness across units. Through your touchpoints and tasks, you will bring PNO and the countries through a positive transformation process in close partnership with the relevant stakeholders ensuring the strategic objectives are met.

PNO is on a high growth path, where we are looking for an ambitious and experienced Senior Business Controller who will support the growth and long-term success for PNO.

Qualifications

- You have a strong background and experience (minimum 5 years) in the field of Business Controlling tasks
- You are experienced within the field of financing theory - and know the difference between leasing and purchasing financing as well as understanding amortization tables. Theoretical knowledge is sufficient

- You are familiar with the principles behind investment theory including being able to calculate IRR. Theoretical knowledge is sufficient
- You must understand the connection between the income statement and the balance sheet, as well as having a basic understanding of debit/credit
- You must be able to handle and work with large amounts of data
- You must have and be very familiar with running the budget process from start to finish
- You must have a good business understanding, including being able to understand what drives PNO's cost and earnings
- You have experience with P/L and B/S reporting, including controlling of the full P/L and explaining variances between actual/budget
- You have the ability to work effectively in a complex and changing environment
- The ability to work effectively and be resourceful, whilst maintaining the flexibility to engage with multiple parties across teams and geographies

Skills

- Result orientated with the ability to influence with a positive attitude
- Service-minded and structured in your work and cooperation with team and stakeholders
- Strong problem solving and analytical skills
- Ability to quickly assess and create strategic orientation
- Independent, but with great listening skills
- Ability to focus on both short and long term
- Integrity and honesty are the key skills to succeed

Benefits

- Competitive salary and meaningful work
- A friendly professional organization with strong leadership
- Spacious office at a central location
- Company healthcare insurance and pension plan
- Flexible working hours and vacation policy
