

Technical Teamlead

PNO is the Nordic's largest trailer rental company. We are a family-owned company established in 1975 with our head office in Copenhagen, and with branches in Germany, Finland, Norway, Sweden, Denmark, Holland, and Poland.

Our purpose is to lead the transition to sustainable freight, and we strongly believe that PNO can be a key driver of change in the logistics industry. We're a B Corp-certified company, committed to putting people and the planet first while fostering an inclusive and supportive workplace.

ABOUT THE JOB

In operations we handle rental agreements, trailer repairs, customer enquiries, warranty cases, insurance claims, vendor relations and a lot more. We work together

For the more technical areas we are looking for a team player that can support our Head of Service on topics regarding trailer repair, warranty, specifications and similar matters.

The main tasks will be to engage with our workshop partners on contracts, larger repairs etc., handle more complicated warranty claims and likely a number of ad-hoc projects focused on optimising our business.

To be successful in this role, you are a team player who can engage with different parties and drive toward a practical conclusion that works. You work in a structured manner to ensure timely and professional deliveries. Getting things done is an important aspect of both PNO in general and this role in particular, so you should not shy away from rolling up your sleeves when needed.

At PNO, we are looking for smart people who are curious at heart and always looking for new ways of doing things. In a nutshell, we are a human-centred organisation looking for team players who bring their honest selves to work every day.

SKILLS, EXPERIENCES & BACKGROUND

- 3+ years trailers from a technical perspective from a leadership position e.g. as a workshop manager, fleet manager (own fleets) or similar
- Prior experience with cost responsibility for a fleet or similar exposure to costs, workshop contracts etc.

- A cost conscious mindset treating the companies money like it was your own
- A high degree of self-motivation and a proactive attitude
- Used to taking ownership and getting things done
- Strong experience in solving practical problems with what is available right now
- Open for learning new areas, tools etc.

BENEFITS

- An organization with smart and thoughtful individuals
- Flat and dynamic organizational culture
- Competitive salary and meaningful work
- Company healthcare insurance and pension plan
